

Product Warranty and Conditions

(January 2021 – International)

FIXNORDIC Console Systems are supported by a 10 year product warranty

It is a pre-condition that FIXNORDIC Installation guidelines are followed and that work is carried out according to industrial standard. FIXNORDIC can not be held liable to pay damages for operating losses, lost time, lost earnings or other indirect losses. Furthermore, FIXNORDIC's liability for damages may never exceed the invoiced amount of the goods sold.

FIXNORDIC Console Systems are supported by a Product Liability

FIXNORDIC is only liable for personal injury to the extent that liability results from mandatory provisions in the law concerning product liability.

FIXNORDIC is not responsible for any damage to real estate and movables, products manufactured/processed by the buyer or products of which these are a part. In the event that product liability to third parties is imposed on FIXNORDIC, the buyer is obliged to indemnify FIXNORDIC to the same extent that FIXNORDIC's liability is limited by virtue of these terms. Restricted admission does not apply, however, in the event of gross negligence on the part of FIXNORDIC.
